League Fees:

League players pay either a season league membership fee **OR** a weekly green fee (pay-as-you-go). League membership saves you money (16 week break-even) and lets you forget about weekly green fees, while weekly green fees are ideal if you'll miss a lot of weeks. All league players (including club members) pay a \$35 registration fee to cover social events and prizes during the season. Tuesday Seniors and Friday Senior Men also pay a mandatory \$2 prize fee for each week you play (holidays not included). Contests and prizes will end the week before each closing banquet.

	Weekly Green Fee	League Membership	Registration Fee
18 Hole Leagues	\$17.99+HST	\$285+HST	\$35 (HST incl.)
9 Hole Leagues	\$13.99+HST	\$220+HST	

Holidays: For any league day that falls on a holiday, players are invited to play on that day for the league rate; however, no league contests or prizes will be awarded on holidays.

Inclement Weather: On days with inclement weather, Brock Golf Course may declare a "bad weather day" and no contests or prizes will be awarded on that day. Notification will be emailed to league players once the decision has been made (generally at the start of the scheduled league time). As a bonus for league players, when the club declares a bad weather day, league players may make up that round the following weekday (i.e., Friday leagues play Monday) for the league rate. Please book a tee time online (subject to availability) and indicate to pro shop staff that you are playing your "bad weather day" round to receive the league rate.
